About the Community Foundation and Summer's Last Blast

Our mission: To mobilize philanthropy by matching donors and resources with community needs for the benefit of our region.

The Community Foundation of Southeastern Massachusetts was launched in 1995 by a group of dedicated volunteers who wanted to create a new avenue for encouraging philanthropy in Southeastern Massachusetts.

In 1995, the Community Foundation incorporated Massachusetts, obtained nonprofit tax-exempt status from the IRS, and hired Anne M. Beaulieu as its first president. The Community Foundation's first \$100,000 gift was received that year, and in 1997 we received a gift of one million dollars to establish the drug abuse prevention and education effort known as Youth Entitled to Success (Project YES).

Today, under the guidance of a 24-person Board of Directors and President John Vasconcellos, the Community Foundation has grown to include more than 250 funds and more than \$32 million in assets, serving 41 cities and towns in Southeastern Massachusetts. The Foundation invests and administers these funds, with assets pooled for investment purposes, under the guidance of our Investment Advisor, Prime, Buchholz & Associates based in Portsmouth, NH.

Other key facts:

- In 2016, we awarded 355 grants totaling more than \$2.121 million. One hundred twenty-eight scholarships totaling \$340,300 were also awarded, for a total of nearly \$2.5 million in grants, scholarships and program support.
- Since 1995, we have awarded well over \$25 million in grants and program support.
- Our largest fund is the Acushnet Foundation Committee Advised Fund, with \$8.3 million in assets. The Henry H. Crapo Charitable Foundation, Jacobs Family New Bedford High Schools Scholarship Fund, Albert F. Carr Scholarship Fund, Anonymous Scholarship Fund, BankFive Foundation Fund, James Arnold Fund, Howland Fund for Aged Women. and The Gosnold Community Fund are also in the top 10.
- Our Board Chair is Seth Garfield; Board-appointed committees assist and advise the Community Foundation in Development, Distribution of Funds, Finance and Audit, Investments, Governance, Personnel, Scholarships and Strategic Planning.
- Our major program funds include AHA! (Art History Architecture), which runs the monthly arts and culture nights in downtown New Bedford; Leadership SouthCoast, a regional leadership development program; SEEAL, the Southeastern Environmental Education Alliance; and the Women's Fund, whose mission is to advance the educational attainment and economic security of women and girls in Southeastern Massachusetts

This is the 13th year the Community Foundation has hosted **Summer's Last Blast**, our annual end-of-summer gala fundraiser, which benefits the Foundation's efforts to improve the quality of life in our region. Scheduled for 6 to 10 pm on Friday, Sept. 8, this is the second year the event has been held in Nonquitt, South Dartmouth on beautiful waterfront property. This successful charitable fundraiser is expected to draw about 450 SouthCoast residents and raise more than \$100,000 for Community Foundation operations.

The event will feature a gourmet dinner, top shelf beverages, and music. For tickets and sponsorship information, please contact Nancy Harding, nharding@cfsema.org, (508) 996-8253, ext. 203.
